**Re: Skate-A-Thon Fundraising Event**

It is my pleasure to introduce to you to the London Jr. Knights, (Minor Atom White hockey team), who has chosen to support Make-A-Wish® Southwestern Ontario. They are organizing and participating in a Skate-A-Thon Fundraising Event in February 2018.

Make-A-Wish® grants wishes to children with critical illnesses to enrich the human experience with hope, strength, and joy. In Southwestern Ontario, over 1300 wishes have been granted since its inception in 1986.

Make-A-Wish takes on the challenge of raising the funds to provide these wishes and depends heavily on the support of organizations, businesses, individuals, and fundraisers like the Skate-A-Thon to be able to do so.

The London Jr. Knights, (Minor Atom White hockey team) needs your support to make their fundraising efforts a success and create some magical, lasting memories for our wish kids and their families. We hope you'll join him with his fundraising efforts.

Best Wishes,
